3. TERMS AND CONDITIONS

I hereby request enrolment in Qtrade Investor's ("Qtrade") DRIP/SDP as indicated below. I further request that cash distributions from certain eligible securities (determined by Qtrade) be re-invested under the following terms and conditions:

- I understand that commissions will not be charged on DRIP/SDP share purchases.
- I understand that only book-based shares are eligible for the DRIP/SDP.
- All full shares purchased pursuant to the DRIP/SDP will be credited to my account at a price determined by Qtrade at such time as they become available.
- Cash payments from certain eligible securities (determined by Qtrade) will be re-invested into full shares only (not fractional shares) within the DRIP/SDP.
- Fractional cash payments cannot be added to future dividend payments for DRIP/SDPs (no top-ups).
- Enrolment or removal from a DRIP/SDP must be received at least 7 days prior to the dividend record date. Requests received less than 7 days prior to the dividend record date will be processed on a best efforts basis and will otherwise take effect during the next dividend payment cycle.
- Qtrade may terminate my participation in the DRIP/SDP program at its discretion.
- I certify that I am a resident of Canada.
- I understand that not all securities are RSP eligible or eligible for the DRIP/SDP.
- I understand that I can request in writing that Qtrade enrol me for additional eligible securities in the DRIP/SDP.
- I understand that once I have sold the eligible securities, my DRIP/SDP for such security is automatically discontinued. I understand that if I sell my shares after the record date but before the payment date of the DRIP/SDP, there will be one additional DRIP/SDP processed after the shares have been sold. If I wish to purchase more of the same DRIP/SDP-eligible securities, I must enroll such additional shares into the DRIP/SDP.
- I acknowledge that Qtrade will act as principal when purchasing securities for the DRIP/SDP.
